May 15, 2009

Dear WIC Vendor,

We have received notice that two formulas approved for use by the Alaska WIC Program have recently changed names. These re-named formulas can be substituted for the formulas currently listed on the warrant. The affected formulas are:

- **Good Start Supreme DHA/ARA** is now called **Good Start Gentle Plus**
- **Good Start Supreme Soy DHA/ARA** is now called **Good Start Soy Plus**

If a client presents a warrant with the old name on it, they are allowed to substitute the newly named product if the previous named product is no longer available at your store.

We are notifying WIC clinics so that they can notify and educate their clients on this sudden change as well.

Thank you for working with us and we appreciate your support of the WIC Program.

Sincerely,

Kathleen Wayne
WIC Program Manager
